IMPORTANT DETAILS

Important Details for Biographies: A Winter Showcase

Kona Dance & Performing Arts' 2025 Winter Showcase will be held for the first time at the Outrigger Kona Resort & Spa's Kaleiopapa Convention Center.

To make performance day as smooth as possible, we highly encourage reading this handbook as well as reviewing it with your child so that any questions you have may be answered. The following are some important details to make note of leading up to the showcase.

DRESS REHEARSAL - SATURDAY, DECEMBER 13 at KONA DANCE

A full run-through of the Winter Showcase will be held on Saturday, December 13 at the dance studio. Details of your rehearsal call times will be sent via email. The Saturday Dress rehearsal is optional for **PRE/TINY & KEIKI LEVEL CLASSES** but **HIGHLY ENCOURAGED**.

***NEW* BACKSTAGE PROTOCOLS at the KALEIOPAPA CONVENTION CENTER**

Due to the space available, we are limiting the amount of people allowed in the backstage/dressing areas to volunteers, class chaperones and staff only. We ask for your understanding and cooperation on the following protocols:

Check-in/Drop-off: Check in will be at the side entry of the Kaleiopapa Convention Center. This will be the only way to access the backstage area. To alleviate congestion in this area, only one parent/guardian will be allowed to check in each dancer at the door.

Check-out: Every dancer must be checked out by an adult parent/guardian if leaving the backstage area at any time. Any student that will be checked out immediately after their performance must pre-resigter for early check-out. Additional check-out details will be emailed.

MISCELLANEOUS

We will not be offering flower, photo or video packages for the Winter Showcase.

ALL PROTOCOLS ARE SUBJECT TO CHANGE. KONA DANCE WILL CONTACT FAMILIES via EMAIL IF ANY CHANGES ARISE.

HAIR ASSIGNMENTS

STUDIO STANDARD HAIRSTYLE

Kona Dance and Performing Art's Studio Standard hair is a mid-range bun with a center part. To create a stage-ready bun, apply a thick layer of gel to damp hair and brush it back into a ponytail with a center part that sits behind the ears, ensuring all bangs are off the face. Twist the hair and wrap it around the ponytail while using bobby pins to secure it in place. Next, wrap a hairnet that matches your student's hair color around the bun to secure any fly aways.

CLASSES with ALTERNATE HAIRSTYLES

Keiki Street Dance with Ms. Eveline

- Dancer's Choice - Hairstyle must be pulled off the face. Dancers with multiple quick changes should keep their hair in a bun.

Hip Hop Level 4 with Ms. Corinna

- Slicked back low ponytail.

MAKE-UP ASSIGNMENTS

STUDIO STANDARD MAKE-UP

Stage lights are so bright that they can wash out performers' faces. Please follow the instructions below to ensure the audience can see your student clearly. Good stage makeup will look very exaggerated, dramatic and bold.

Gentlemen

We suggest a little rose colored blush, eyebrow definition with a medium or dark brown pencil, and a light rose colored lipstick to help make their facial expression pop. If they have light eyelashes, we recommend a little brown or black mascara as well. Use the instructions below to help guide you.

Girls - Age 3 through 6

Makeup may be applied at the families discretion for children this young, please see below our suggestions to make your students face pop onstage.

- **Foundation** - If you feel comfortable, use a light layer.
- **Blush** - Light pink or peachy tone on the cheeks and cheekbones.
- **Eyeliner** - Use a black pencil or liquid liner along the upper and lower lid of the eye. If the child is too young to handle this application, you may omit it.
- **Mascara** - Black or Dark Brown.
- **Eyebrow pencil** - Use a brown color similar to your student's hair color to define the eyebrows.
- **Lipstick** - A soft pink lipstick is required for all performers. You may use a matching or coordinating lip liner as well if you prefer.

Girls Ages 7 and Older

- **Makeup primer** - This is an optional step that helps the longevity of the stage makeup.
- **Foundation** - Use a foundation that matches your or your student's skin color as a base for make-up. Apply on the full face and blending down to and continuing into the neck area.
- **Setting Powder** - This will decrease shine and help the longevity of the foundation.
- **Blush** - Light pink or peachy tone on the cheeks and cheekbones.
- **Eye shadow** - Neutral browns and beige colors only. Do not use any bright or colorful eye shadow. Please see the step by step tutorial below:

Step 1 - Matte cream or beige color eyeshadow from the eyelid to eyebrow as a base.

Step 2 - Bright white in the corners of the eyes to help make eyes pop.

Step 3 - Light colored taupe or champagne eyeshadow on the entire lid.

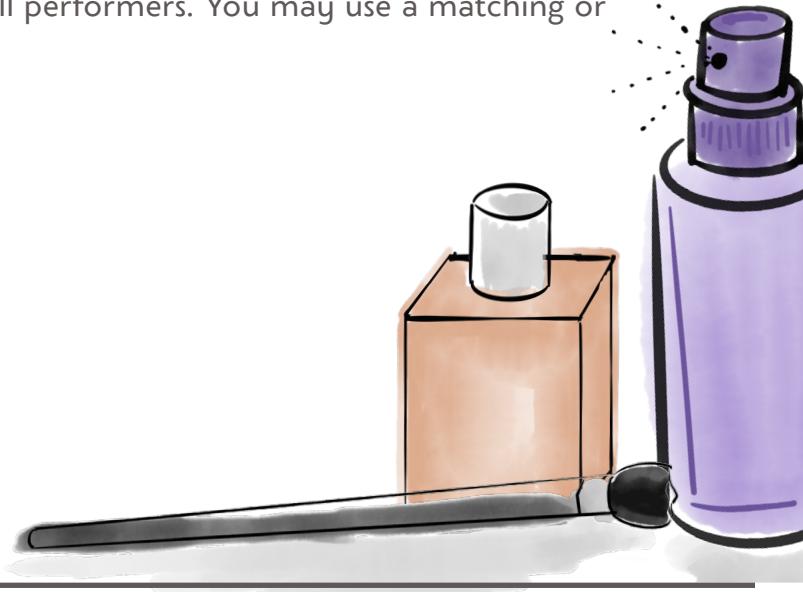

Step 4 - Dark brown in just the crease of the eyelid. Do not take the darker colors up to the eyebrow.

- **Eye liner** - Use a black pencil or liquid liner along the upper lower lid of the eye. A winged liner is preferred for a more dramatic look.
- **Eyebrow pencil** - Use a brown color similar to your or your student's hair color to define the eyebrows.
- **Mascara** - Apply a thick layer of heavy black mascara to upper and lower lids.
- **False eyelashes** - Apply false eyelashes for maximum effect on stage. Purchase thick black lashes with clear drying glue (avoid the black drying glue), trim to fit and follow instructions that come with the lashes.
- **Lipstick** - A soft pink lipstick is required for all performers. You may use a matching or coordinating lip liner as well if you prefer.

Helpful Tip!

If this is your / your dancer's first time wearing stage make-up or doing performance hair, we recommend doing a test run a week or two before the performance.

ETIQUETTE & INFORMATION

WHAT CAN'T I BRING BACKSTAGE?

NO Drinks with food coloring/dye. Only water or clear liquids are permitted backstage.

NO Snacks that could spill or stain. Only bring dry, colorless snacks.

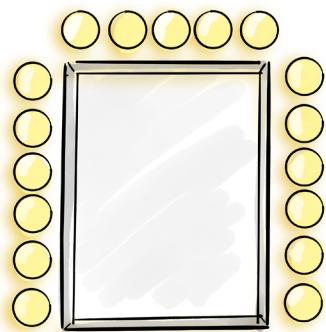

NO Jewelry - Dancers will be asked to remove any jewelry prior to taking the stage and we do not want it to be misplaced during the production.

DRESSING ROOMS & BACKSTAGE

Unlike at previous venues, our dressing & backstage areas will be in a smaller space. As such, we are limiting the people allowed to be backstage to performers, volunteers and staff only.

Dressing areas have been assigned according to the lineup and quick changes. There will be chaperones for Level 3 and below to assist dancers who have quick changes. Please reach out directly to the studio with any questions.

Dancers will be at a close proximity to one another so please be mindful of all belongings. Additionally, loud noises can carry, especially in this venue setup. Please be mindful of volume control while in the backstage areas.

FINAL BOW

Due to space constraints on stage, there will be no group bow at the end of the show. Instead, each piece will bow individually following their dance performance. As a reminder, each dancer needs to be checked out by a parent/guardian before leaving the backstage of the convention center. That includes if your dancer will be watching the rest of the show in the audience.
